Dear FOP Member:

In our continuous efforts to enhance the value of your Fraternal Order of Police membership, I am pleased to announce our newest benefit that is now immediately available to you. As a member of the Fraternal Order of Police, you are eligible to join the National Police Credit Union, brought to you by Chicago Patrolmen's Federal Credit Union.

Chicago Patrolmen's Federal Credit Union has been serving the needs of police officers and their families for over 76 years. They currently serve many FOP members in Illinois, including members of FOP Lodge 7 and Illinois Troopers Lodge 41. Their stated mission is to serve police officers and police families in order to help them realize their life's financial goals.

Some of the benefits of credit union membership include new and used auto loans with rates currently as low as 1.49% and new and used motorcycle loans with rates currently as low as 3.49%.

While the credit union offers all of the savings products, loan products and electronic services you would expect from a full service financial institution, the Financial Planning and Education Center at the credit union benefits all members across the financial spectrum. They have retirement planning services for any age group, as well as financial counseling free of charge for credit union members. They can also help you understand your credit score and how you can improve your score, thereby allowing you to pay less money for credit in the future.

The credit union has over 5,000 shared branching locations and 30,000 surcharge-free ATM locations throughout the United States available to FOP members, once you open an account. This opportunity should be of particular interest to those FOP members who currently do not enjoy the benefits of police credit union membership. However, even if you are already a member of another credit union, you are eligible to join.

In addition, your immediate family members are eligible to take advantage of the great benefits of police credit union membership. You can sponsor your spouse, children, grandchildren, parents, grandparents or siblings to become members of the credit union.

--BUILDING ON A PROUD TRADITION--

In closing, please feel free to visit nationalpolicecu.com for more information, or call 1-844-267-7283 to learn more. The credit union call center hours are Monday through Friday, from 8:00am EST to 7:00pm EST (5:00am PST to 4:00pm PST) and Saturday from 10:00am EST to 3:00pm EST (7:00am PST to 12:00pm PST).

Finally, I look forward to working with the National Police Credit Union on your behalf to have this organization provide you with benefits to add value to you and your family, to help you save money and to assist you to achieve your financial goals.

Fraternally,
