P.O. Box 8455 Myrtle Beach, South Carolina 29578-8455

Dear Community Business Partner,

I would like to take this opportunity to thank you for your time and contribution to our **FOP Special Olympics Program** and general fund. Our lodge is dedicated to not only working for the betterment of our members and our profession but also to benefit the communities in which we are sworn to protect and serve. We believe that local law enforcement needs the support of their communities and we strive to work in collaboration within our communities to improve the overall quality of life. Our members consist of both retired and active law enforcement officers living in Horry, Georgetown and Marion counties.

This year your support will go to fund the lodge's Special Olympics Program and the general fund for other lodge activities such as the Cops and Kids, Waccamaw Youth Center and our annual Memorial Service for fallen officers. The Special Olympics Program is to benefit special needs children right here in our local community by allowing them to compete in the Horry County Special Olympics Spring Games held at Socastee High School and fund *Horry County Special Olympics athlete Nicole Landoskey who was selected to compete in the 2015 Special Olympic World Games in Los Angeles this summer. Nicole is one of six athletes in South Carolina to attend the World Games, and the only athlete ever from Horry County to attend.* Please keep in mind that all the members of Lodge 12 are local residents in Horry, Georgetown or Marion County.

In return for your support and contribution we would like to list your business on our website ([SCFOP12.COM](http://SCFOP12.COM)) as a local law enforcement supporter and future promotions.

Thank you again for your support and contribution and remember that all donations are tax deductible. If you have further questions please don't hesitate to contact our fundraiser director Christopher Gill at 843-222-8479.
