H.5006 (Retirement - Makeup of the Retirement System Investment Commission) by Speaker Lucas.

This bill makes comprehensive revisions regarding the governance of the state's pension systems and the investment of retirement system funds. The legislation prohibits lobbyists and placement agents from contacting certain individuals connected with the Retirement System Investment Commission. The legislation clarifies that the Board of the Public Employee Benefit Authority is the sole governing body of the authority. The legislation provide for a five year term and staggered terms of PEBA Board Members. The legislation establishes meeting requirements, makes provisions for an executive director, and establishes certain fiduciary duties. The legislation provides for revisions to the Retirement System Investment Commission by adding a gubernatorial appointment to the commission, limiting a member to two terms, and establishing further qualifications for members. The legislation makes provisions for an executive director and allows the commission to engage attorneys on a fee basis. The legislation revises the required audit of the Retirement System Investment Commission by requiring that the audit firm be selected using the Procurement Code. The legislation makes revisions relating to the investment of retirement system funds, so as to: require a reduction in the total amount of fees paid; establish a Review and Oversight Commission on the Retirement System Investment Commission; provide for its membership, and provide for its screening duties. The legislation makes revisions relating to the assets of the retirement systems and investment of retirement system funds, so as to require the Public Employee Benefit Authority to hold the assets of the retirement systems in a group trust and to prohibit investments in certain money mortgages and real estate investment trusts. The legislation revised provisions for the removal of officers by the Governor, so as to add the members of the Retirement System Investment Commission to the list of officers or entities the governing board of which may be removed by the Governor only for certain reasons constituting cause. Note: The Treasurer is now eligible to be Chairman of the Commission. Also, the one retiree representative has been changed to two representatives being appointed by the Governor *(of which one must be a active or retired PORS member, Judges and Solicitors System member or*

the National Guard System member).

2/25/16 Introduced and referred to House Ways and Means
4/12/16 Ways and Means General Government, Personnel and Benefits Subcommittee @ an hour and half after adjournment in room 521.
4/19/16 FULL Ways and Means Committee @ an hour and half after adjournment in room 521
4/26/16 House Calendar: Up for second reading

H.5007 (Retirement - Assumed Rate of Return, Contribution Rates and Amortization Period) by Speaker Lucas. This bill provides that the assumed rate of return for retirement system funds expires every four years unless action is taken by the General Assembly, and if not, the rate is set by the State Fiscal Accountability Authority. The legislation revises retirement system employer and employee contribution rates for purposes of the retirement system, so as to reduce the amortization schedule from thirty years to twenty years (this is a phased in process). *NOTE: Current Assumed Rate of Return is 7.5 and current UAL for PORS is 27 years.*

2/25/16 Introduced and referred to House Ways and Means
4/12/16 Ways and Means General Government, Personnel and Benefits Subcommittee @ an hour and half after adjournment in room 521. Passed out favorably with amendment removing the 20 year UAL language.
4/19/16 FULL Ways and Means Committee @ an hour and half after adjournment in room 521
4/26/16 House Calendar: Up for second reading

H.5008 (Retirement - Retired Members' COLA) by Speaker Lucas. This bill revises provisions for making retirement allowance adjustments, so as to base the adjustment on the assumed rate of return and the five-year average investment return, and to provide that the adjustment may not exceed two and one-half percent. Changes the retiree benefit adjustment from a small but sure thing to a plan that ties future benefit adjustments to investment returns.

2/25/16 Introduced and referred to House Ways and Means
4/12/16 Ways and Means General Government, Personnel and Benefits Subcommittee @ an hour and half after adjournment in room 521 (adjourned debate).

H.5034 (Bingo) by Representative White. This bill requires DOR to develop a Bingo Webpage; redefines "building", extends the time (from 30 to 45 days) that DOR must respond to applications for a Bingo license, increases the allowance for promotions (\$100-\$200), increases the percentage (from 26% to 28%) that is distributed to charities, excludes certain raffles, allows payments from the Bingo account by electronic methods, allows the promoter to submit 100% of a deficit payment if the charity cannot pay their 50%. This can be considered a loan or a donation to the charity with the election of the promoter and approval of the charity.

3/3/16 Introduced and referred to House Ways and Means Committee
